

# Selection criteria for 2022 Commonwealth Games

1. Participation at any two of the following: 2022 African Triathlon Cup Maselspoort (sprint), 2022 African Triathlon Cup Troutbeck (sprint), 2022 African Triathlon Cup Swakopmund (sprint).
2. Participation and top 5 SA finish at the 2022 SA Triathlon Championships (standard), Gqeberha).
3. Merit selection based on the WT Ranking as at CWG cut-off date, subject to country slot allocation.
4. Mixed Relay members will be selected from the individual selected athletes, merit based on the individual results at the CG, however team management may consider medical/technical conditions of the individual race.

## Special circumstances

- a. In the event of a medical/technical condition in respect of 1 and/or 2 during the race, TSA in its sole discretion, may still regard the athlete eligible for selection.
- b. In the event of a prior medical condition in respect of 1 and/or 2 and provided the athlete has furnished TSA with satisfactory proof of such condition, the athlete must participate in substitute continental/world cup race (outside of Africa) prior to 15 May 2022 with a credible result, for each of 1 and/or 2.
- c. If a World Cup race takes place on the same weekend as 1 above, the athlete will be released from participation provided the athlete enter and participate in the World Cup race.
- d. A Junior athlete to be in contention must compete with a top 5 SA finish at the 2022 African Triathlon Cup Maselspoort **AND** achieve an outstanding time at the SA Junior Championships. Such Junior athlete(s) will be identified after the SA Junior Championships and will be requested to compete in one or more African Cup event to give a clear indication of superior performance with regards to athletes that would otherwise qualify in terms of 2 above.

**In compliance with SASCOC directives for purposes of selection, competing in the 2022 SA Triathlon Championships (Gqeberha) (formerly Port Elizabeth) is compulsory**
